Shipping a Gehl Z35 can be a daunting task especially if you do not have a relationship with a trusted carrier who will handle your machine with care and won't overcharge you. Many factors affect the cost of transporting a Mini Excavator. The four main factors to ship a Mini Excavator are:

- Dimensions of your Mini Excavator
- Trailer Type Utilized in Transport
- Distance the Item needs to move
- Loading Assistance and Disassembly

Pricing can vary greatly depending on these factors and that is why it is critical to use an established transport provider to avoid having a terrible outcome when you are looking to ship your Gehl Z35 Mini Excavator.
